

The Bulgarian Savate Federation organizes the Savate European Youth Championships and the World Cup U-15

20-23 June 2024

SAVATE

Savate is a combat sport, originally developed in France **in the 1800s**, as a form of self-defence. It is a sport of opposition where technical quality is taken into account in the decision, and all strikes must be performed with precision, according to clear principles.

Savate proposes the core values of **Ethics, Esthetics, Education and Effectiveness** to develop fair play, participation, respect and self-discipline.

Savate was a demonstration sport in **Olympic Games in Paris in 1924** and participated in the **SportAccord Combat Games**.

Our sport being a historic French sport, listed as a part of the cultural heritage of France - **Patrimoine Culturel Immatériel, UNESCO**

Savate is also known as **Boxe Française** and French Boxing

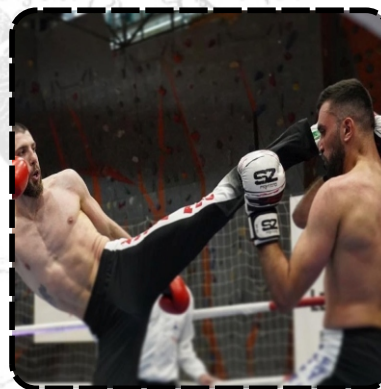

COMPETITIVE DISCIPLINES OF SAVATE:

Savate Assaut

Savate Combat

Savate Pro

**Savate Canne
de Combat**

Canne-en-fauteuil

Savate Forme

non-competitive disciplines of Savate: Canne-Chausson, Bâton, Savate Défense

The **Bulgarian Savate Federation** has been distributing and promoting this authentic French sport in Bulgaria for more than 20 years.

In recent years, after contacts with the **French Embassy, the French Institute and the CCIFB,** we have started working hard to bring together like-minded people connected to France and to sports.

Our idea is to promote **French culture and sport values.** In order to achieve this goal, we are looking for partnerships with international companies in Bulgaria.

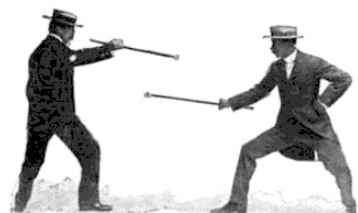

Partnership opportunity

Be part of the organization of these two prestigious sporting events

Support the Bulgarian national Savate team
